Re: In the Matter of Arlington Telephone Company, The Blair Telephone Company, Eastern Nebraska Telephone Company, Rock County Telephone Company, Huntel Cablevision d/b/a Huntel Communications, Huntel, Inc., American Broadband Acquisition Company-11, and American Broadband Communications, LLC Application for Authorization Pursuant to Section 214 of the Communications Act, as Amended, for Transfer of Control WC Docket No. 07-93

Dear Ms. Dortch:

This filing is made on behalf of Arlington Telephone Company, The Blair Telephone Company, Eastern Nebraska Telephone Company, Rock County Telephone Company, Huntel Cablevision d/b/a Huntel Communications (the "Companies"), Huntel, Inc., American Broadband Acquisition Company-11 ("ABAC-11"), and American Broadband Communications, LLC ("ABB") (collectively the "Applicants") as a supplement to the above-referenced Application filed on April 30, 2007.

First, Applicants correct an inadvertent omission in Footnote 1 to the Application to now include The Blair Telephone Company within that footnote. Second, Applicants note for the record that each of the Applicants is a United States-based corporation, and is either a corporation or a limited liability company organized under either Nebraska law (for each of the Companies) or North Carolina for the other named entities. In addition, Dialog Telecommunications, referenced in Footnote 5 of the Application, is also a North Carolina corporation.

Third, Applicants note that ABAC-II is wholly owned by ABB. Notification of this ownership was made by letter dated May 1, 2006 filed with the Commission in WC Docket No. 06-14, as noted in Footnote 3 of Application. In that submission, an ownership change at the intermediate holding level (Noble Holdings, Inc. ("Noble")) was described, thereby increasing

¹ As noted in Footnote 2 to the Application, Noble has since changed its name to Huntel, Inc.

Marlene H. Dortch

Page 2

“Noble’s ownership of the carriers from 73.8% to 100%” and reflected that ABAC-II, which remained the 100% owner of Noble, would “be 100% owned by” ABB. Letter to Marlene H. Dortch, Secretary, Federal Communications Commission, from David Cosson, Counsel to Noble Holdings, Inc., WC Docket No. 06-14/ITC-T/C-20060118-0023E, filed May 1, 2006 at 1.

Finally, please accept this letter as confirmation that no other telecommunications carrier interest that Mr. Tucker possesses is being transferred to transferee, Mr. Patrick L. Eudy, other than that noted in the Application. Thus, all interests that Mr. Tucker has in ABB would be transferred which would include the controlling interests in those carriers noted in Attachment A as well as those minority, non-controlling interests in those entities (and their affiliates such as American Broadband Communications, Inc.) noted in Attachment B to the Application.

Declarations from Messrs. Eudy and Tucker bearing electronic signatures are also attached.

Please contact the undersigned should you have any questions or require additional information.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Thomas J. Doorman". The signature is written in a cursive, flowing style.

Thomas J. doorman
